PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The California Department of Fish and Game wishes to donate a 1972 "Monarch Boats" safety vessel, the *Yellowtail*, Vessel Documentation Number 542-722, to Marina del Rey Sheriff's Station.

In donating this vessel to the Sheriff's Department, the California Department of Fish and Game asks that this vessel be utilized exclusively by the Sheriff's Department for homeland defense and maritime law enforcement related missions.

Implementation of Strategic Plan Goals

Acceptance of this donation supports the County's homeland security and emergency response preparedness goals. The donated vessel will enhance the capabilities of the Sheriff's Department to perceive, prevent, and/or respond to criminal activity; including terrorist related incidents, and to conduct emergency rescue and recovery operations in the Los Angeles County Maritime Region.

FISCAL IMPACT/FINANCING

An application for a grant from the Office of Domestic Preparedness, which will pay for the total refurbishment of the vessel, has been approved. No costs other than fuel and maintenance are projected. Staffing of the vessel will initially be accomplished by personnel already assigned to Marina del Rey Station.

The donation of this vessel will augment the Sheriff's Department's fleet and enhance Marina del Rey Station's service to the citizens of Los Angeles County, and provide the Department with a platform for rescue, recovery, and homeland security missions within the Los Angeles County Maritime Region.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS
